## MEDIA QUOTES

*"She has the voice of Martina McBride and the moves of Shania Twain."*

~ Liz Kellogg/Country Music in AZ Blog

*"She's a breath of fresh air – even on a dusty Texas Evening."*

~ Timothy Schumann – Photojournalist/ION Indie Magazine

*"She is pure as American apple pie and has a heart of gold...and the girl can SANG!"*

~ Robert Davis/City to Country Magazine

*"We had listened to Ashley's CD 'Family Business' and were familiar with her previous songs, and while we found her vocals impressive and songwriting quite exceptional -- her LIVE performance was even better than her studio produced songs. And it was only after Ashley belted out the first couple of songs with her band, that we realized that we had come across something quite rare and special!"*

~ Kiki Plesha – Editor-in-Chief/ION Indie Magazine

*"There is an old saying 'To thine own self be true". And where Ms. Ashley Wineland is concerned, she is the epitome of 'keeping it REAL'...COUNTRY style!"*

~ JB Bridges – Photojournalist/ION Indie Magazine
